

Kodak E1000 Series Scanners

Scan. Send. Done.

Powerful, compact scanners speed information capture, access, and archiving

Eliminate paper and transform your business processes

Capture information from paper and send to wherever you need. **Kodak E1000 Series Scanners** are compact, efficient, accurate, and reliable to help you do more with your information.

Scan. Send. Done.

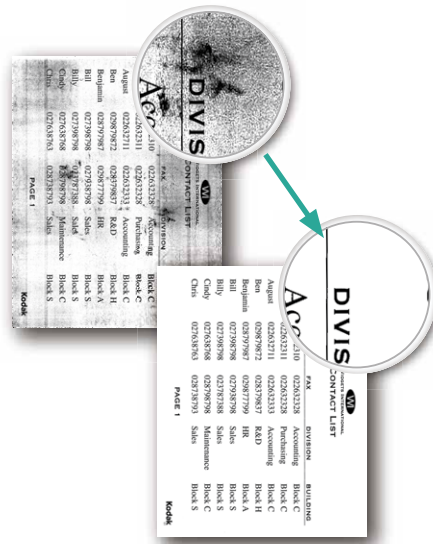

Too much paper slows work and cuts into productivity and customer satisfaction. With a **Kodak E1000 Series Scanner**, you capture all the important information from it, then send, save, and access it digitally.

- Scan with ease, thanks to intuitive controls and simplified set-up
- Capture information immediately with “instant on” technology
- Save space with compact units that are quiet and simple to use
- Scan almost everything – differing paper sizes and weights, even ID and hard cards
- Send documents to the right places and people instantly, empowering information access for everyone

Technology simplified and amplified

E1000 Series Scanners fit perfectly into businesses, home offices, workgroups, and reception areas. And they integrate smoothly with your existing applications and environment, from network to Cloud. Each model delivers great technology benefits to boost efficiency.

- Make images look even better than originals and get crisp, clear scans with Optical Character Recognition (OCR) using Perfect Page technology

- Scan and send information with one-button simplicity via Smart Touch technology (available as a free download)
- Read barcode information and quickly send information to applications

Be productive today and ready to scale up for tomorrow – E1000 Series Scanners work with many business apps you use.

Peace of mind and protection

When you scan one-of-a-kind originals, you'll know they're safeguarded through our Intelligent Document Protection, multi-feed detection, and smooth, proven paper path. It's reliable scanning that's virtually jam-free.

- Your scanner is protected with our three-year warranty
- We offer industry leading service and support, plus an array of flexible, customizable service plans to follow your original warranty

- 1 Easy to use numeric display enables one-touch scanning of up to 9 different jobs.
- 2 Scan documents quickly with models capturing up to 35 pages per minute – capable of tackling 4,000 pages a day.
- 3 Smart Touch functionality allows you to scan documents to a file location, common cloud services, email, networked office printer, fax, and third-party applications.
- 4 Fits nicely anywhere with approachable, compact design.
- 5 Scan passports, small, thick or fragile documents with optional **Kodak** Passport or Integrated **Kodak** A4/Legal Size Flatbed Accessory.
- 6 Scan more documents at once with largest feeder capacity in its class.
- 7 Multiple driver compatibility: TWAIN, ISIS, and LINUX.

Insurance agency gains advantages of digital workflow with **Kodak** E1035 Scanner

As paperwork arrives at an insurance agency, it's scanned by a receptionist on a **Kodak** E1035 Scanner and sent to the appropriate CSR's (Customer Service Representative's) electronic document in-box. Each CSR reviews and manages their documents as digital files. They assign each document to a template, that's part of the agency's document management system, which links it to the correct policy.

Now the agency knows exactly when each document arrived, what was done with it, by whom, and when. When a CSR is out, it's much easier to locate documents than in the previous, physical filing cabinet system, as the document management system quickly transfers files between in boxes with a click.

Benefits include time, space, and storage cost savings; fewer misplaced documents; ability to find any file quickly; and faster customer response times. Customer service is also enhanced, as the receptionist can quickly scan and return documents to those who visit the office in person.

Kodak E1000 Series Scanners deliver big results.

Be productive, right out of the box.

Kodak E1000 Series Scanners

Features	
Throughput Speeds*	E1025: Black-and-white/grayscale/color: up to 25 ppm/50 ipm at 200 and 300 dpi E1035: Black-and-white/grayscale/color: up to 35 ppm/70 ipm at 200 and 300 dpi
Recommended Daily Volume	E1025: Up to 3,000 pages per day E1035: Up to 4,000 pages per day
